Radiology4all

September 2014 Bangkok

You, as a leading provider of radiological appliances/ pharmaceutical devices, know how important radiology is in medicine. As a renowned, successful, and innovative company, you are the perfect partner for Radiology4all. This novel congress is going to take part in September 2014 in Bangkok, with its focus being on non-radiologist, which are a huge though xx considered target group. **Congress&Event** forms the organizational background for the congress and offers the possibility to take part in a novel congress. We have wide experiences in congress organization (19. MRCT symposium in Pörtschach, Austria) and we are well acquainted with the Southeast-Asian area.

We are looking forward to welcoming you at the congress and to our cooperation.

Programm (temp)

- Day 1
 - Welcome and Gala Dinner
- Day 2
 - 4 technical lectures and 2 provider presentations
- Day 3
 - 4 technical lectures and 2 provider presentations
- Day 4
 - Workshops

Benefits for Partners

- **Enlarge your target group!** The congress focusing on non-radiologist, representing over 95% of all doctors, offers you the possibility to considerably increase your target group.
- **Increase your sales!** Your revenues will enormously increase with the concentration on non-radiologists.
- **Communicate with your customers!** Being our partner will establish and foster your business connections and will get potential customers acquainted to your products.
- **Expedite your internationalization!** Our experiences in Southeast Asia will enhance your international business contacts.
